What is Wood Badge?

Reflecting the best of nearly a century of Scouting experiences, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country.

Wood Badge training was begun by Baden Powell in 1919 as a way to insure that the leaders of Scout troops were properly trained. Since then Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders.

Wood Badge builds upon the best traditions and experiences of the Boy Scouts of America and also draws from a wide range of courses within and beyond the bounds of Scouting to present the latest in leadership theory and team development.

“Wood Badge opened my eyes to the vast diversity within Scouting and how Scouting helps all people.” -Carson Holmes, Galand, TX

“Through Wood Badge my unit became more youth focused and youth lead.” - Jim Grossman, Chesterfield, MO
