

Dear Scouting families,

The Virtual Camp Card Sale works by having Scouts invite family, friends, neighbors, or anyone interested in supporting their Scouting adventures to purchase a Camp Card or Camp Cards online at <https://shopnbof.com/product/2020-camp-card/>. All 4 versions of the Camp Card are available. Customers place the order, select our unit from the dropdown list [include code], and then enter your Scout's name as the Scout Salesman. This makes sure that both our unit and your Scout get credit for the sale. Customers will receive their cards in the mail. Make sure to share that customers should enter Coupon Code VNMTJ7V5 so they don't get charged additional shipping rates.

Scouts and families can promote selling cards through email, social media, and other electronic means. There are resources available for families to use at <http://tinyurl.com/y5j7n9jp>.

All cards that you sell online will count toward our unit's total and our chance to be the top unit and win a pizza party. These sales will also be counted towards individual prizes that you can earn. You can read more about the prize information at <https://tinyurl.com/gwf3l2u>.
