

## Show and Sell Consignment Option – 2024 Popcorn and Nuts Sale

The popularity of the Show and Sell Consignment option grew in 2023, and we are happy to announce that it has returned for the 2024 Popcorn and Nuts Sale. This method is for units that typically only do one or two Show and Sells, units that have a history of only selling a smaller amount of product, units that are new to the sale, or units that don't want to do a full Show and Sell Order.

Units will not place a Show and Sell Order but will place a Consignment Request. They will pick the product up on a specific date and return it by a specific date. Units can request a **\$4,325** or **\$8,730** product mix. This enables smaller units to have sufficient inventory to conduct their sale, but they don't have to worry about holding on to a garage full of products for the entire sale. This also helps us move products between units that need additional products during the sale. There is no risk to a unit that participates in the Consignment Option. You can return 100% of your request if it is returned by its due date.

Units can order products through the Consignment Product Request Form, available at <https://tinyurl.com/3ahxay95>. During the Popcorn and Nuts sale, units may make multiple consignment requests. Please complete a separate request for each consignment. Units may schedule multiple requests but may not have more than one consignment out at a time.

Consignments can be picked up on Thursday or Friday each week. They are for 11 or 12 days (depending on whether you pick them up on Thursday or Friday) and must be returned the Monday after your second weekend. If you cannot pick them up or return them within those windows of time, please contact your district kernel or district executive. Consignments can be picked up at Camp Tuckahoe or Mechanicsburg Service Center.

Units will be provided with a set list of products, which they should check when they pick up their package. All packages will be in full cases. Once products are returned, units will sign a return sheet, and this is what the unit will be billed for at the end of the sale.

If your unit sells out of product between weekends, don't hesitate to contact your district kernel or Christina Stout at [christina.stout@scouting.org](mailto:christina.stout@scouting.org), and we will work with you to replenish your supply for the next weekend.
